

All accepted papers will be published in conference Proceedings in the RESEARCH JOURNAL OF AGRICULTURAL SCIENCE, vol. 49: (1), (2), (3), ISSN 2066-1843.

Our Journal includes original papers and reviews covering a range of Agriculture-related issues (**field crops, pasture and forage plants – present situation and perspectives, plant protection, soil sciences and plant nutrition, sustainable development and environmental**

**engineering, geomatics, research in biology with implications in agricultural sciences, social sciences and power resources and agricultural machinery**) with a global span.

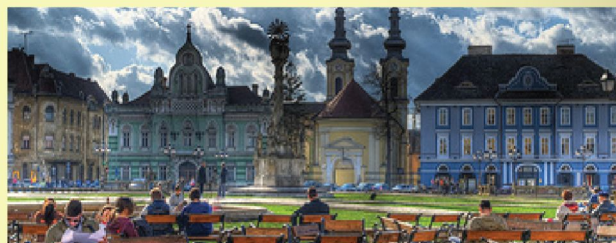

The Journal is indexed, abstracted or full text reproduced in following databases and libraries: CABI, EBSCO, Index Copernicus International and CNCSIS Romania quoted B+ (valid journals are A, B+ and B).

The role of the journal is to offer to the scientists and researchers in agriculture and collateral fields the opportunity to publish their results of scientific research.
