On behalf of the organising committee, it is our pleasure and honour to invite you to attend the **MULTIDISCIPLINARY CONFERENCE ON SUSTAINABLE DEVELOPMENT**, Section **TRENDS IN EUROPEAN AGRICULTURE DEVELOPMENT**, which will be held on **May 25-26, 2023** in Timisoara, Romania. The Conference organised by the Faculty of Agriculture in Timisoara (in collaboration) will have the following topics: **agronomy, environmental engineering, biology, geodesy engineering, mechanical engineering.**

The International Multidisciplinary Conference on Sustainable Development, brings together experts and researchers from over **25 countries** and promotes the exchange of ideas and innovative experiences in the multidisciplinary field of life sciences.

Participants will have the opportunity to present short presentations and posters on their work and discuss their research in a relaxed, multidisciplinary and scientific environment. We also offer key-note lectures by internationally recognized scientists working in areas connected to the conference sections.

The participants at the Conference may publish their presentations, by choice in one of the following journals:

- **Research Journal of Agricultural Science**, vol. 55: (1), (2), (3), ISSN 2668-926X
- **Advanced Research of Life Sciences Journal.**

The registration of the papers is done online, on the conference sections website ([www.arls.ro](http://www.arls.ro)), according to the calendar:
