 - Member of BIOEN
 - Member of Horticulture and Forestry Society from Transylvania

Managerial activity within a company authorized by the National Agency for Cadastre and Land Registration (A.N.C.P.I.) to carry out Cadastre, Topography, and Geodesy activities. The company also conducts infrastructure design and urban planning activities and is authorized as a data center by the Ministry of Communications and Information Society (M.C.S.I.).

The transfer of knowledge and research results to the economic sector was also achieved through participation in projects related to cadastre, urban planning and territorial development, infrastructure design, environmental protection (planning and management of protected areas, design of protected areas, monitoring the conservation status of natural habitats), and socio-economic orientation plans, with beneficiaries including: the National Agency for Cadastre and Land Registration; the Ministry of Agriculture and Rural Development through the National Rural Development Network; C.N.A.D.N.R.; local administrations and city halls; TRANSGAZ; Romanian National Railway Company (S.N.C.F.R.); and the Environmental Fund Administration.

Since 2002, I have been and continue to be a member of research teams involved in research grants, contracts, and consultancy projects, as reflected in the list of works presented below:

- “Inventory and Mapping of Species and Plant Communities in the Semic–Caraș Gorge and Nera Gorge–Beușnița National Parks for Biodiversity Protection and Conservation” – Contract no. 3969/19.07.2006, Environmental Fund Administration, based on Contract no. 77/N/18.07.2006, period: 2006–2008.
- “Land Evaluation and Technological Characterization of Agricultural Lands in Timiș County” – Contract no. 33370/29.06.2004, funded by CNCISIS, period: 2002–2004.
- “Establishing Buffer Zones for Protected Areas in Timiș County” – Research contract 2006, Beneficiary: Timiș County Council, period: 2006–2007.
- “Study on the Design and Development of Ecological Parking Areas in the Municipality of Timișoara” – Beneficiary: Timișoara City Hall, research-development contract 2007, period: 2007–2008, Contractor: U.S.A.M.V.B. Timișoara – Department II, Agricultural Environmental Engineering.
- “Execution of Cadastre Works for the Preparation of a Zonal Urban Plan in Dumbrăvița Commune – RIALTO Residential Complex” – Beneficiary: S.C. FLORPLAN S.R.L., research contract no. 2082/26.04.2005, period: 2005–2006.
- “Initial Topographic Study for the Economic Development of a Quarry Area in the Cerna Valley” – Beneficiary: S.C. ARAMIC FOREST S.R.L., research contract no. 1/03/2005, period: 2005–2006.
- “Strengthening Capacity for Creating Public–Private Partnerships in Research for Interdisciplinary Research Projects at the Banat University of Agricultural Sciences and Veterinary Medicine in Timișoara” – Contract no. 192/30.06.2010, Sectoral Operational Programme “Increase of Economic Competitiveness”, period: 2011–2012.
- “Development of a Geospatial Graphic Database through Georeferencing of Cartographic Data” – Beneficiary: National Agency for Cadastre and Land Registration, scientific research contract no. 2188/15.04.2015, S.C. SILURUS S.R.L., period: 2015–2016.
- “Monitoring and Control of the Invasive Biological Pollutant *Ambrosia artemisiifolia* L. (spp.)” – acronym STOP AMBROSIA, no. 39/2010, IPA Romania–Serbia Cross-Border Cooperation Project, period: 2010–2012.
- “Study on the Development Strategy for Green Spaces in the Municipality of Caransebeș”, period: 2013–2016.
- “Establishment and Support of the National Rural Development Network” – C511/2/1/S/08/00/03/S2, Beneficiary: M.A.D.R. through INNOVACION Y DESARROLLO LOCAL S.L. Madrid – Bucharest

Use of technical and specialized equipment in the fields of topography and cadastre, as well as specialized software such as AutoCAD, ERDAS IMAGINE, TopoLT, Microsoft Office, and others.

Technical skills and competences

These skills are reflected in more than 90 articles, studies, and scientific papers published in bulletins and proceedings of national and international scientific events, including ISI Thomson Reuters indexed journals with impact factor, ISI Proceedings, BDI-indexed journals, and internationally and nationally recognized specialized journals. These papers were presented in recognized journals and conference volumes abroad, including in Tel Aviv, Opatija, Chișinău, Szeged, Athens, and Albena, as well as in volumes published by universities in Romania, including Cluj-Napoca, Craiova, Oradea, Timișoara, and Iași.

Artistic skills and competences

- Artistic skills in the field of classical music (former member of an orchestra – string instruments).
- Interest in the study of classical painting, especially the depiction of landscapes and rural activities.
