The city of Timisoara is the capital of Timis County. *The City of Flowers, The Paradise of Parks, The Small Vienna* are only few names that made famous this city on the banks of Bega river. The city of Timisoara is documentary attested in 1212, when it appears for the first time with the name of Tymes (Temes) fortress. Timisoara had a surface of about 130 sq km and a population of over 425,000 inhabitants, being one of the largest and most important cities in Romania. Timisoara can be very easily reached by air, train or by car. There is an important entering gate of the country through the International Airport of Timisoara.

**Faculty of Veterinary Medicine from
Timisoara was founded in 1962**

It's a part of the Banat's University of Agricultural Science and Veterinary Medicine from Timisoara. The faculty includes: 4 departments and it is a full member of *EAEVE* (European Association of Establishments for Veterinary Education), *FVE* (European Veterinary Federation), *WVA* (World Veterinary Association) and participate of *ETCS* (European Transferable Credit System) and it is *EAEVE* evaluated.
