\* The children of the teaching staff / auxiliary teaching staff in activity or retired from education are exempted from paying the registration fee for admission under the conditions of presenting the certificate endorsed by the County School Inspectorate, respectively by the higher education institution. Orphaned children of teaching and auxiliary teaching staff enjoy the same right, provided that the supporting documents are presented. The children of the staff employed or retired from USAMVB Timișoara as well as the employees of the university benefit from the same facility.

\* Employees of USAMVB Timișoara University, if they wish to follow a study program, benefit from exemption from the payment of the registration fee upon admission, having the obligation to present a certificate certifying the quality of employee. Approval of the exemption from the registration fees it is done by the admission commissions of the faculty on the basis of the proving documents presented by the candidates.

Exemptions from the payment of the registration fee for admission, for all the mentioned categories, are valid for persons up to the age of 26 years. In all cases the exemption from the payment of the registration fee for admission is valid for a single study program.

\*\*The registration fee and the registration fee for doctoral studies are reduced by 50% for 2020 graduates and USAMVBT employees.

The teachers from USAMVBT benefit from the reduction by 50% of the admission, enrollment and schooling fee for the psycho-pedagogical study program within DPPD, level I and II, in postgraduate regime.

Teachers, students, master students and doctoral students from the University of Agricultural Sciences and Veterinary Medicine of Banat "King Mihai I of Romania" in Timisoara benefit from a 50% discount on all tuition fees related to postgraduate programs.
